

PROJECT N. 2020-1-IT02-KA204-079033

PROTECT YOURSELF

Cooperation mechanism to protect the environment

NEWSLETTER II

June 2021

Co-funded by the
Erasmus+ Programme
of the European Union

HELP US TO FIGHT THE CLIMATE CHANGE!

In April 2021 Petit Pas, the project coordinator of Protect Yourself project launched an email campaign called "*Help us to fight the climate change*" to raise awareness towards the project and inviting everyone who is interested or works in the field of environmental protection, circular economy, climate change to join the cooperation mechanism to discuss and debate on strategies to fight the climate change.

JOIN THE COOPERATION MECHANISM AND THE TRAINING IN SPAIN!

During the first eight months of the "Protect yourself – cooperation mechanism to protect the environment" project, the partners contributed to establishing the cooperation mechanism to share and debate on best practices to identify, analyze and evaluate climate actions, disseminate the project and working actively on how to implement the first learning g training activity that should have taken place in December in Spain hosted by ACD LA HOYA but it was postponed due to the pandemic and the difficulties in traveling.

There's good news...You are still on time! Join our **cooperation mechanism** on Facebook (PROTECT YOURSELF AND THE ENVIRONMENT - actions to fight climate change), start discussing or learning information from different countries on climate change and the actions to undertake to fight it.

And if you want to learn more...Take part in our workshop in Spain!

We will have a 3 days **training to empower adult people and strengthen climate actions**. There will be practical and theoretical activities in an international environment with participants from Spain, Italy, Hungary, France and Romania.

Contact us on

protectyourself.eu@gmail.com, we will be happy to support you and address all your questions.

And if you are curious about our project visit our website
