PROTECT YOURSELF

Cooperation mechanism to protect the environment

NEWSLETTER III

January 2022

Co-funded by the
Erasmus+ Programme
of the European Union

FROM 29 NOVEMBER – 3 DECEMBER 2021, ACD LA HOYA HOSTED THE C1, TRANSNATIONAL TRAINING COURSE PART OF THE PROJECT „PROTECT YOURSELF“

The Erasmus “Protect Yourself” project aims to create a series of tools and resources to support adult education and to contribute to the development and expansion of their professional and educational know-how in the circular economy.

Given this GENERAL OBJECTIVE, we have identified 3 SPECIFIC OBJECTIVES that the project will reach at its end:

1st SPECIFIC OBJECTIVE: Increase the involvement of adults from partners’ countries to identify, analyze and evaluate the actions to be taken in favor of the climate;

2nd SPECIFIC OBJECTIVE: Improve the level of key competences of adult educators in formal and non-formal education to adequately contribute to the adult’s critical skills development;

3rd SPECIFIC OBJECTIVE: Enhance the capacity of adult organizations to help adults take action in favor of the climate and to fight climate change.

During the C1 Activity participants from Italy, Spain, Hungary, Romania and France, learn, share and get some knowledges related to the protection of the environment.

The first day the participants have some activities to know each other and the organizations that they represent, also a Presentation of the "Protect Yourself" project by (PETIT PAS APS), later on we have some presentations/ discussion about national realities and workshop on "Analytical ability". After lunch we had the opportunity to visit the UMH and to have a Technical visit on environmental issues that they university work.

The second day we start with a workshop develop by ACTA CENTER related to Create awareness of the problem of climate change and a Workshop on Climate Literacy for adults. We have time to visit the city and discover different nice places in the city if Elche. In the afternoon the partner from France, (GRAPHISTE DE L'OMBRE) develop a activity related to What is the relationship between ecology and inner ecology? and a Practical activity on Inner ecology.

The last day of the C1 training we have morning session organize by ACD la Hoya, the participants from ACD present the reality in Spain and activity related to Protecting the environment through the senses and critical thinking, later on a workshop.

The last part of the morning the participants had the opportunity to learn a Media Workshop critical thinking and environment protection.

After all these 3 days of learning and sharing we had the evaluation part of the program and some cultural visit of the city of Elche with 3 UNESCO world heritage.
